EDUCATION

Doctor of Medicine (M.D.), Medicine and Surgery

University Of Nigeria, Nsukka

2015 - 2022

TRAININGS

Google UI/UX Design

Google, Online

Apr 2023 - Apr 2023

Enrolled in the Google UI/UX Design course via a Grow with Google scholarship. It consisted of about 6 courses in the specialization. Emphasis was placed on practice and several projects were made for both mobile apps and websites.

Meta Frontend Developer

META, Online

Mar 2023 - Aug 2023

I enrolled in the frontend specialization on Coursera via a scholarship. I went through a total of 9 courses which encompassed HTML, CSS, JavaScript. It had 2 dedicated courses to learning React Library and a capstone project to showcase skills learners had acquired during the courses.
